Dr Ron Hunter D6	5 Ways to Help Parents Win	Come participate in this lab-like experience of ways to help the parents of your kids be more engaged. We will role-play various scenarios and show easy wins for parents to connect with their kids. Parents do only what they know to do, but you can show them how to make a real difference with minimal effort. To truly help your ministry to kids, it is time to minister to their parents, even if they are not in church. Come experience five ways to train your parents how to parent from a discipleship perspective. Book Link: About Me About You Generational Legacy Journal & Family Fun Questions (And Devo Study Guides)	www.randalhouse.com
Lena Wooten D6	Teaching Parents to be Spiritual Leaders in Their Homes	Parents are the greatest influencers in their children's lives. But many do not feel equipped to lead their children spiritually. In this session, you will walk away with tools that will equip and teach parents to lead their children and be the primary disciple-makers in their homes.	d6family.com
Dr Rob Rienow D6	Helping Children Engage in Worship	Throughout the Old and New Testaments, children worshipped alongside their parents. But what does multi-generational worship look like today? What can we do to intentionally welcome children into our church services? This breakout will give you a biblical foundation and practical approaches for helping young and old worship God together.	visionaryfam.com
Dr Rob Rienow D6	The Power of Family Worship: Equipping Parents for Home Discipleship	Description: God calls parents and grandparents to be the primary spiritual trainers of their children in the home. However, many church-going parents delegate this responsibility to the church or Christian school. This breakout will equip you with practical and effective ways to help parents catch a vision for disciplining their children and specifically equipping them to lead spiritually their families with family prayer and Bible reading.	visionaryfam.com
